The City will not take hazardous materials or construction debris; however we will collect any hazardous materials you may have around the house on May 20 and make sure they are disposed of properly Visit: <https://www.cabq.gov/solidwaste/household-hazardous-waste>

to find out what you may have around the house that should not go in your regular garbage. We also need neighbor volunteers to help clean up the park and our alleys. Bring your gloves and truck, if you have one, and let's work together to keep our neighborhood clean and safe.

Greetings from the BANA president

What a zany few years it's been. Fortunately, the Bel-Air Neighborhood Association is still alive and kickin'! We are in dire need of membership and participation, but we're still here. In addition to getting more of our neighbors to join in the fun, one of the things we are hoping to do is find a "direction" for BANA. We've gotta figure out our goals and what we hope to accomplish. I think our neighborhood is pretty darned great, but there's always room for improvement. Our meager board has been speculating about the possibilities for things we can address, but we certainly need more input from our fellow neighbors. Let your voices be heard!

One question that has been presented is whether or not neighborhood meetings should be held online using Zoom. Other neighborhood associations have been going this route, and some folks find it preferable. How about the residents of Bel-Air? Should we have meetings online? In person? Both? Some have mentioned that it can be easier to get city/state officials to join an online discussion. So, that's definitely a benefit. However, it's also been suggested that meetings in person encourage people to be more invested into issues at hand. Social interaction has certainly changed quite a bit in recent years.

Some of the issues that have been discussed recently involve the annual neighborhood party in the park and traffic calming measures on Phoenix Ave., There has also been talk of turning part of the park into a dog park or, alternatively, additional recreational facilities that would encourage citizens to utilize the space more frequently. Neighborhood clean-up days will soon be here, and the trash truck at the park has been able to swallow everything we've thrown at it. It's a great opportunity to get rid of yard debris and anything else that has accumulated during spring cleaning. Thus far, we've been brainstorming other things, but we need more thoughts, ideas, and recommendations from those living in Bel-Air. We welcome anyone and everyone who would like to attend a meeting or join the board. Bel-Air is such a great place to live. We are right in the middle of Albuquerque, yet we often fly under the radar. Here's to hoping we can join together and make it an even better place to live!

Seth Arseneau

Foam Recycling now available

One common estimate is that Styrofoam can take up 30 percent of the space in some landfills. And some estimates put the lifespan of styrofoam in a landfill at around 500 years.

Albuquerque area residents can now recycle polystyrene (styrofoam) with 100% being recycled and reused.

DROP OFF CONTAINER AVAILABLE - 24/7 at 6204 2nd St. Unit D, Albuquerque, NM

Membership changes

Per the Neighborhood Association Recognition Ordinance anyone living, owning a home or having a business within BANA boundaries is automatically a voting member of the association regardless of whether they pay monetary dues or not.

You may register as a member by mail or on line as noted below and provide us your contact information for BANA announcements

Obviously we would encourage you to pay voluntary dues at a suggested rate of \$10 per year per household and \$25 per year for business membership and/or that you consider a monetary donation. The membership form is at the end of this newsletter and can be printed or mailed in or submitted online at bananm.org. This is just another way you can support your neighborhood.

Master Gardeners Hotline – Questions Answered!

Have questions about gardening, trees, or plants? There is a free source for answers - the Master Gardeners Hotline. Master Gardeners are volunteers who have received extensive education and use their experience and the resources of New Mexico State University (NMSU) to answer YOUR questions.

How do you contact the Hotline? From March 1 through the end of October you can call **the Master Gardener Hotline at (505) 243-1386** (from 9AM-12PM and 12:30-3:30PM) on weekdays (except holidays), to speak to a Master Gardener. By-Laws

The recently adopted Neighbor Association Recognition Ordinance (NARO) requires all neighborhood associations to redo their by-laws (the document that spells out how the neighborhood association will conduct business).

The proposed revision to BANA's by-laws is attached (starting on page 4). The substantive changes are:

1. The NARO prohibits requiring the payment of dues for a household or business to be a voting member of the association. We will gladly accept voluntary dues or donations to help support the efforts of the neighborhood association.
2. The current by-laws call for a 7 member board of directors; we propose a board of 5.

These revisions will be presented and voted on at the annual meeting on April 29, 2023 at 2 pm at Bel-Air Miramontes Park. Let your voice be heard.

If you or someone you know would prefer a paper newsletter, contact us at board@bananm.org to get one delivered.
